# THE KEVIN JENKINS OBE OUTDOOR LEARNING CENTRE

Providing opportunities for young people and the community allowing them to connect with nature. Help bring the national curriculum to life, encouraging young people to develop beyond the classroom with all sessions able to be tailored to the needs of your group

Facilities include:

- Areas for birdwatching
- Fire pit
- Bushcraft area
- Lodge

All sessions are delivered by a Forest School Leader

## Planet Protectors

Learn about the challenges currently facing our planet including climate change and the effect this is having on biodiversity, food chains and life cycles. With a variety of group challenges, encouraging discussions and deeper learning on topics such as recycling, food waste, pollution and sustainable solutions.

## Natures Palette

Create pieces of natural art using materials found in nature as well as incorporating materials that would otherwise be thrown away.

## Discovering Nature

Forage and find materials including fauna and bark to make a tabletop display, using magnified observation cases, describing different species and their characteristics and fun facts.

## Outdoor Pioneers

A session full of bushcraft activities, from using natural materials to make a shelter, outdoor cooking, fire lighting and much more.
